Did he withdraw the FOIA? Did we deny the FOIA? I don't think we denied it and he does not have anything to appeal from. He would have to resubmit the FOIA.

Subject: Aguayo FOIA Appeal

Hi Audrey:

Attached please find the appeal we received of the response to Mr. Aguayo's FOIA request. While much of this appeal relates more to questions about our methodology, he does appeal the withholding of documents as well.

If we can get a record of this reaching a resolution, it would be great to close it out. Otherwise we will need to discuss the records and how to move ahead with processing. I can be reached at 202-564-5097 if you have any questions. Thanks for your help!
